After the third rising of the moon

Your owner's gone out to offer his condolences and can't be contacted for days...

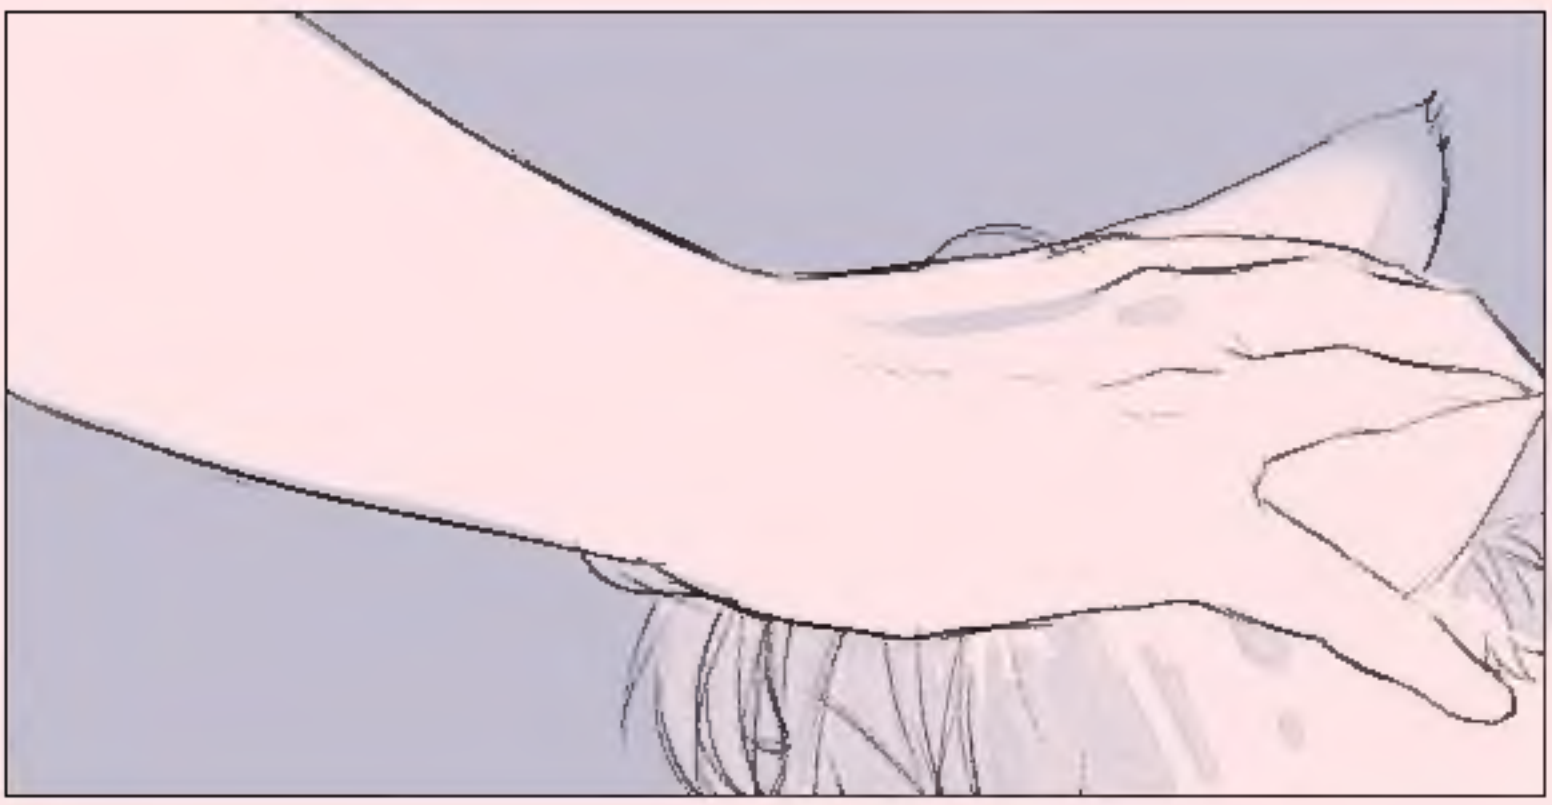
Is this a daycare center? He should've at least told me something...
Why is he offering condolences to the woman who left him when he was struggling?

I thought she would proudly get married because she was a bad girl
Urgh... who cares..?

He keeps smelling the shirt that Jaehyun wore...

The night is too long.

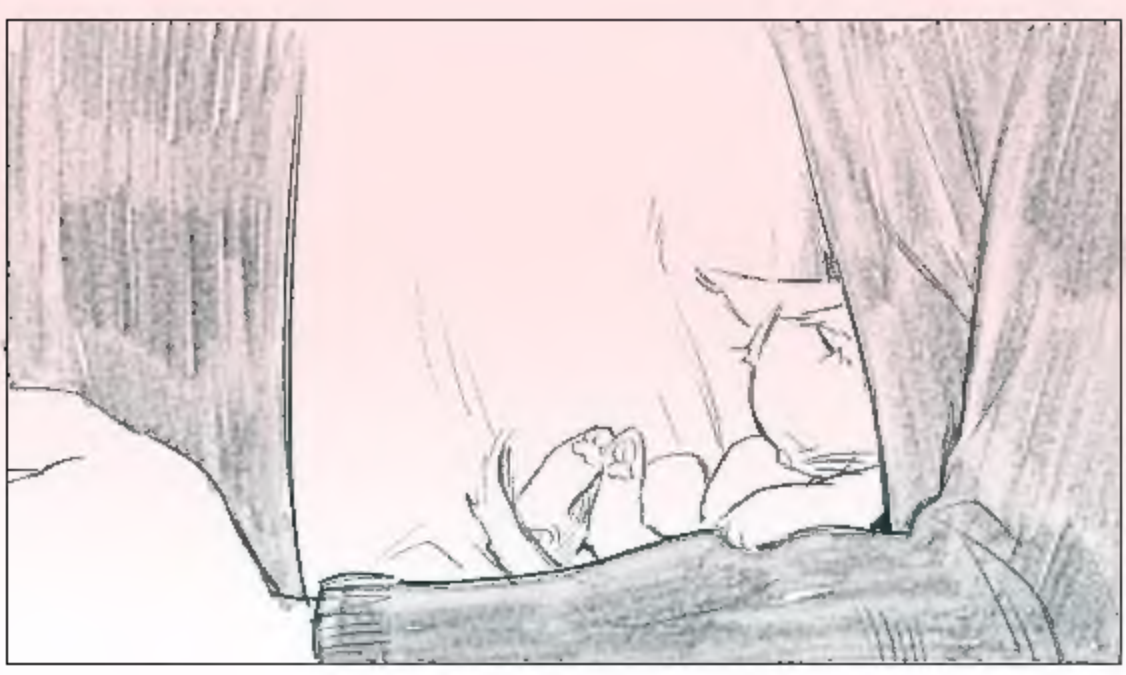
I think...



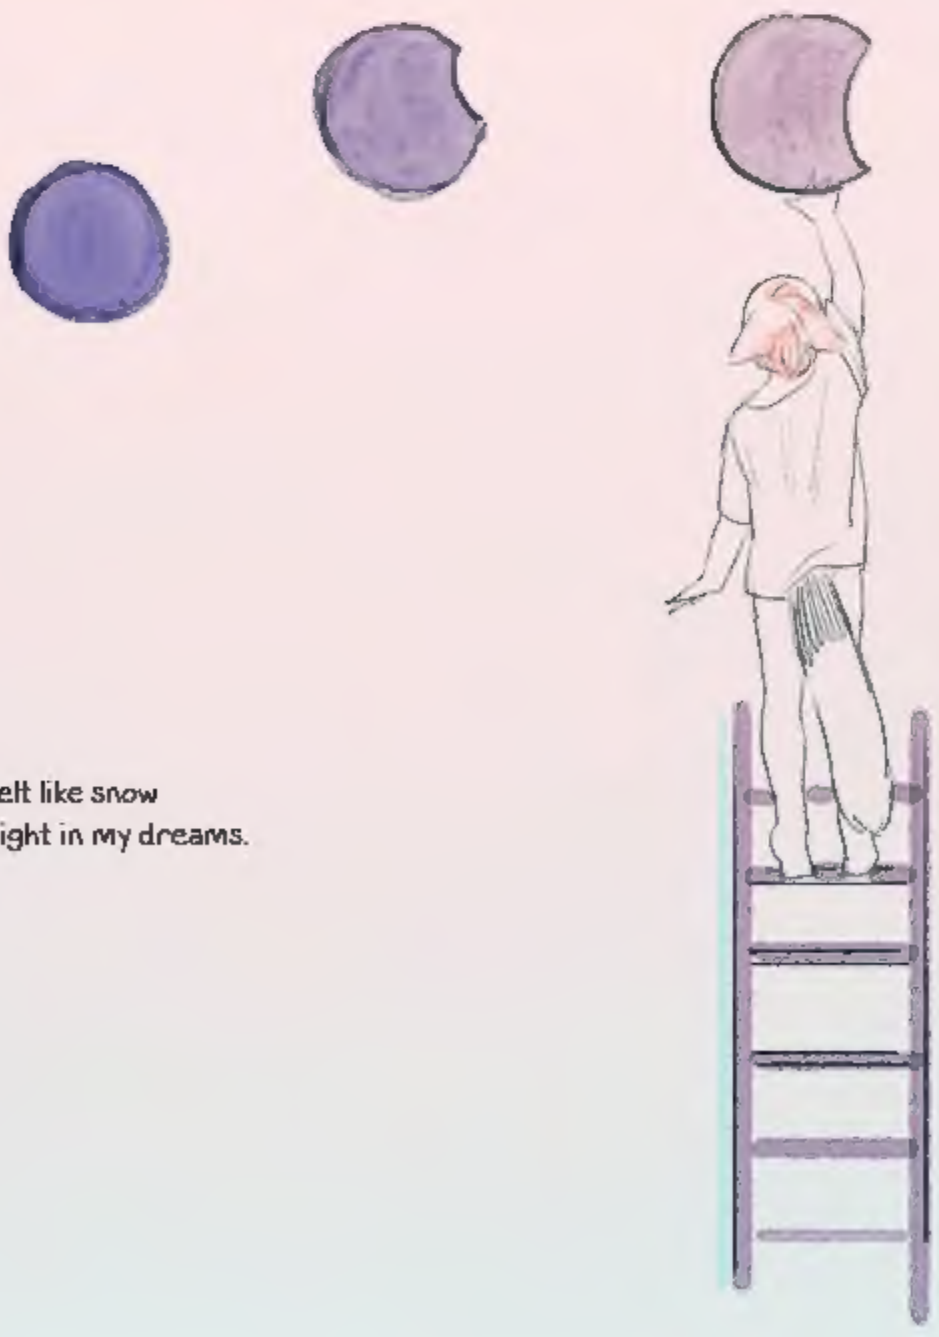
Maybe a fairy is living in my chest.

They said this is called 'longing'.

I want to see him.



When I can't fall asleep
I think of the time when Jaehyun would come
back and hug me.



Then I melt like snow
And spend the night in my dreams.

I can't do my work if he's here...
I can't even bring him out with me. Plus,
Nayoung's in year twelve...

Unnie,
please let me stay here.
Okay?

I don't want to go home.
Please~

No. Don't you know how much your mother worries about you?

Unnieeee,
pleaseee~

...maybe I should've just let her stay here...

Aah~! How can I take care of him alone?!

Still it's a good thing that he's the quiet type.

Bro

FUMBLE

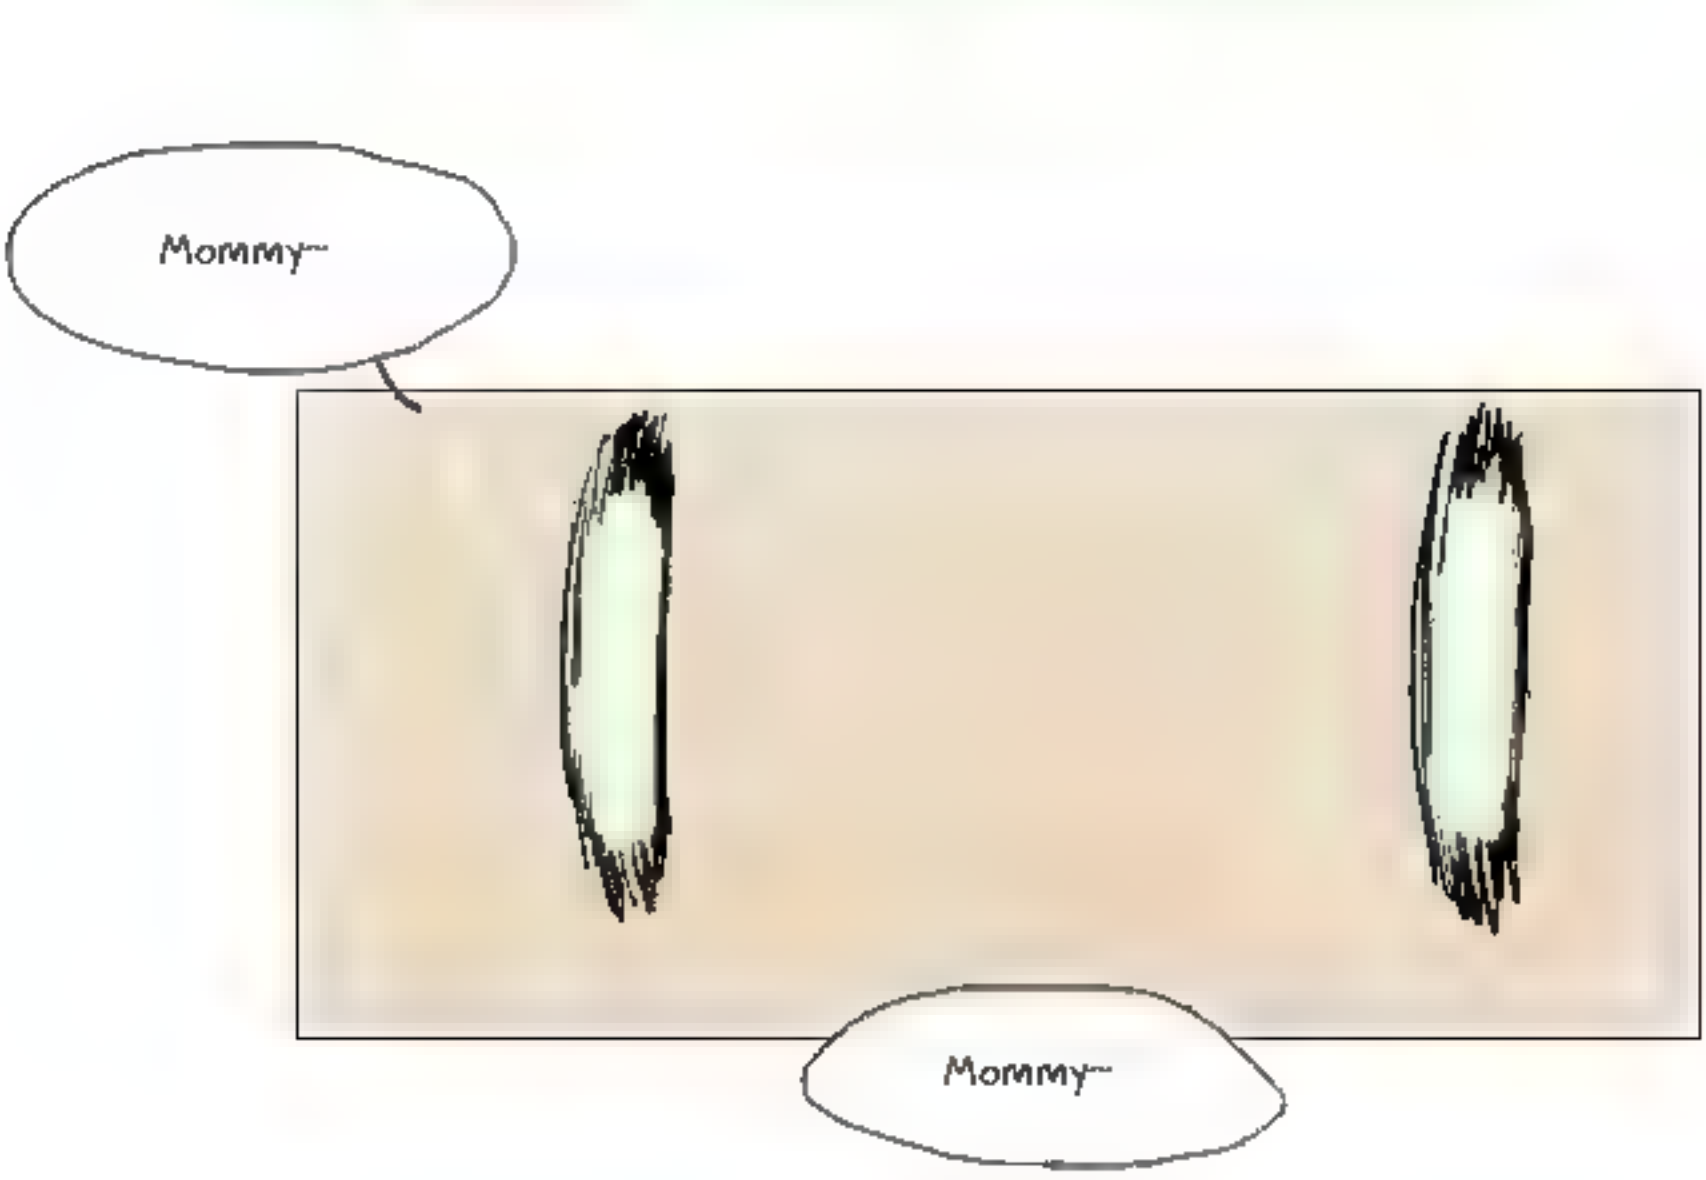
Hel.
Nuna,
please take care of Ran.
Now you're his mother

I can't raise a cat
anymore~ bye!
What? Hey!

Argh!!!
TAP

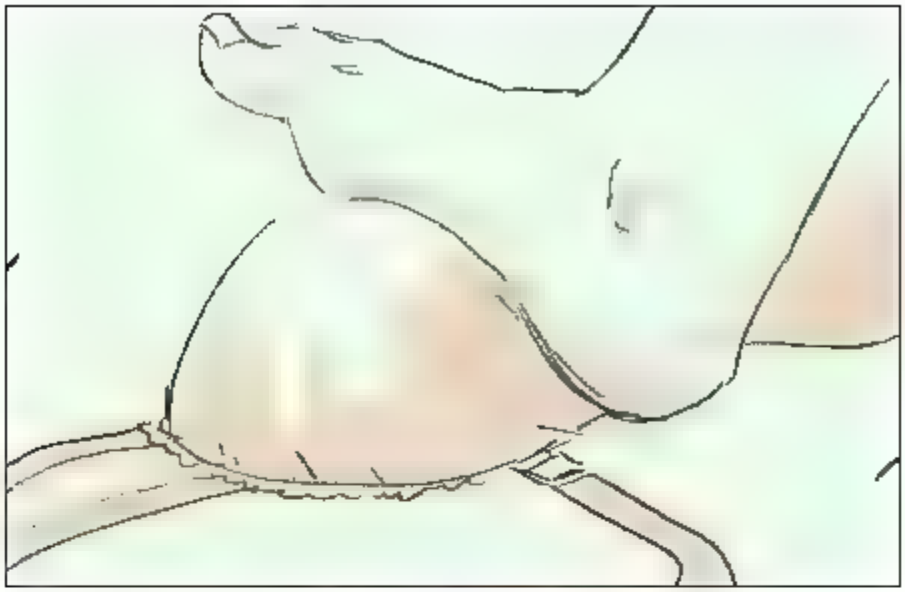
Mommy~

Why am I your mother?!
I hate animals



Mommy~
Mommy~

Argh!



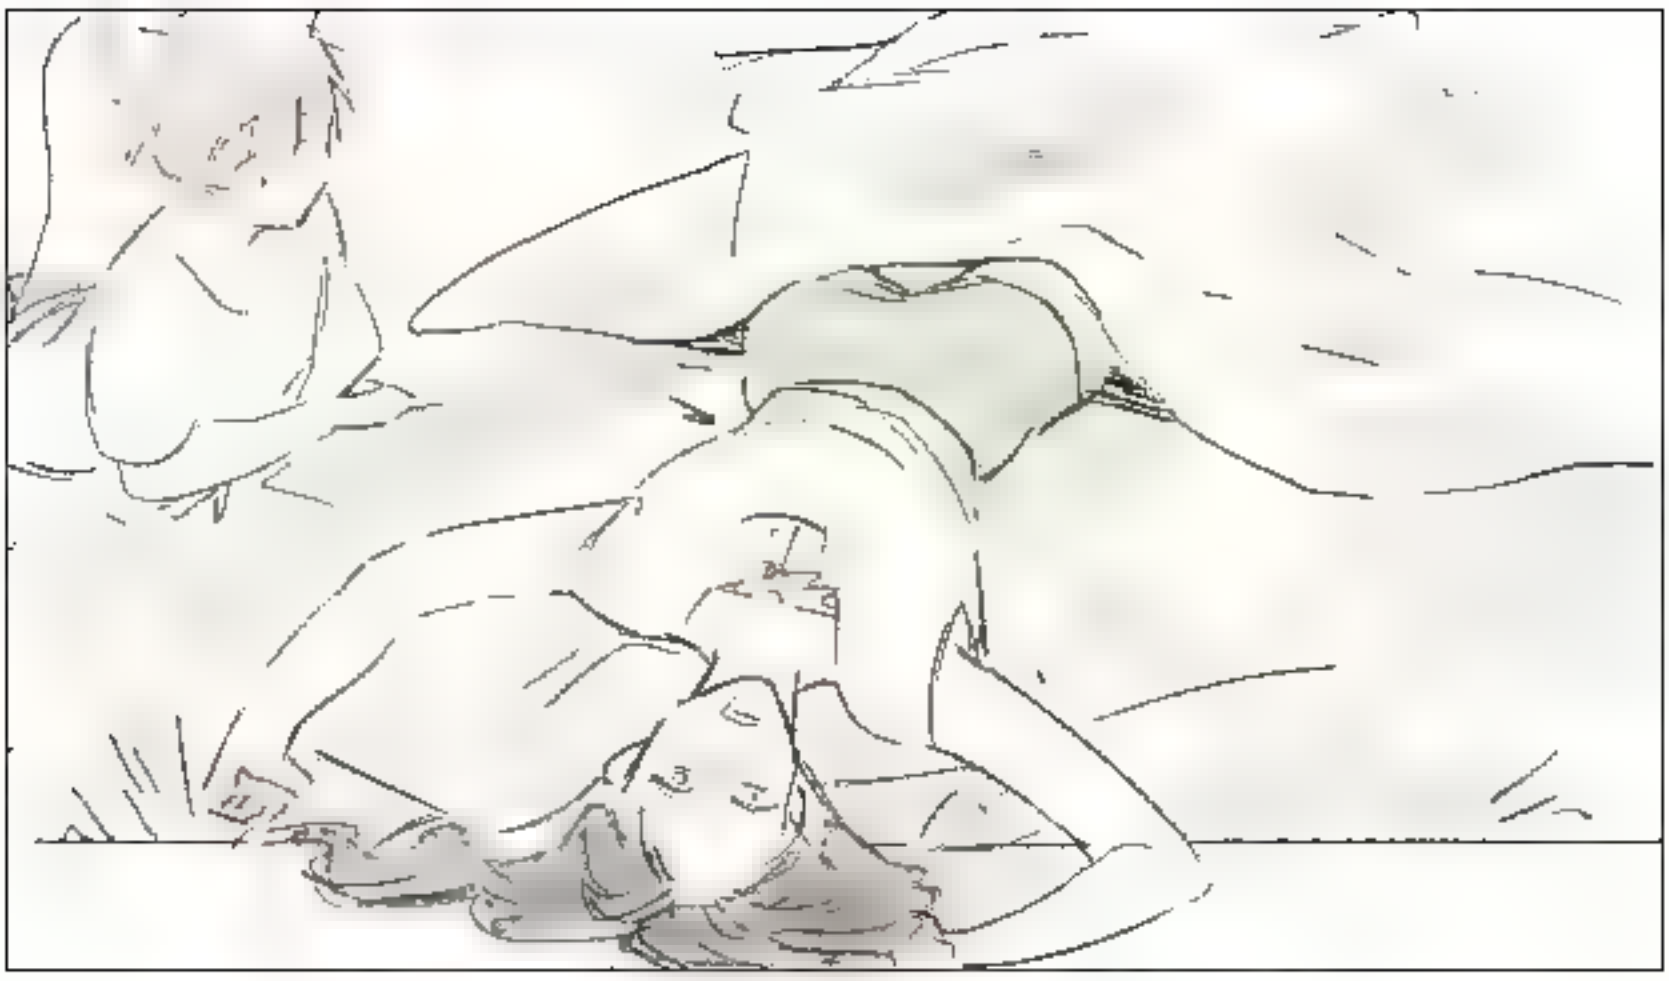
Why is my bra here.
...?

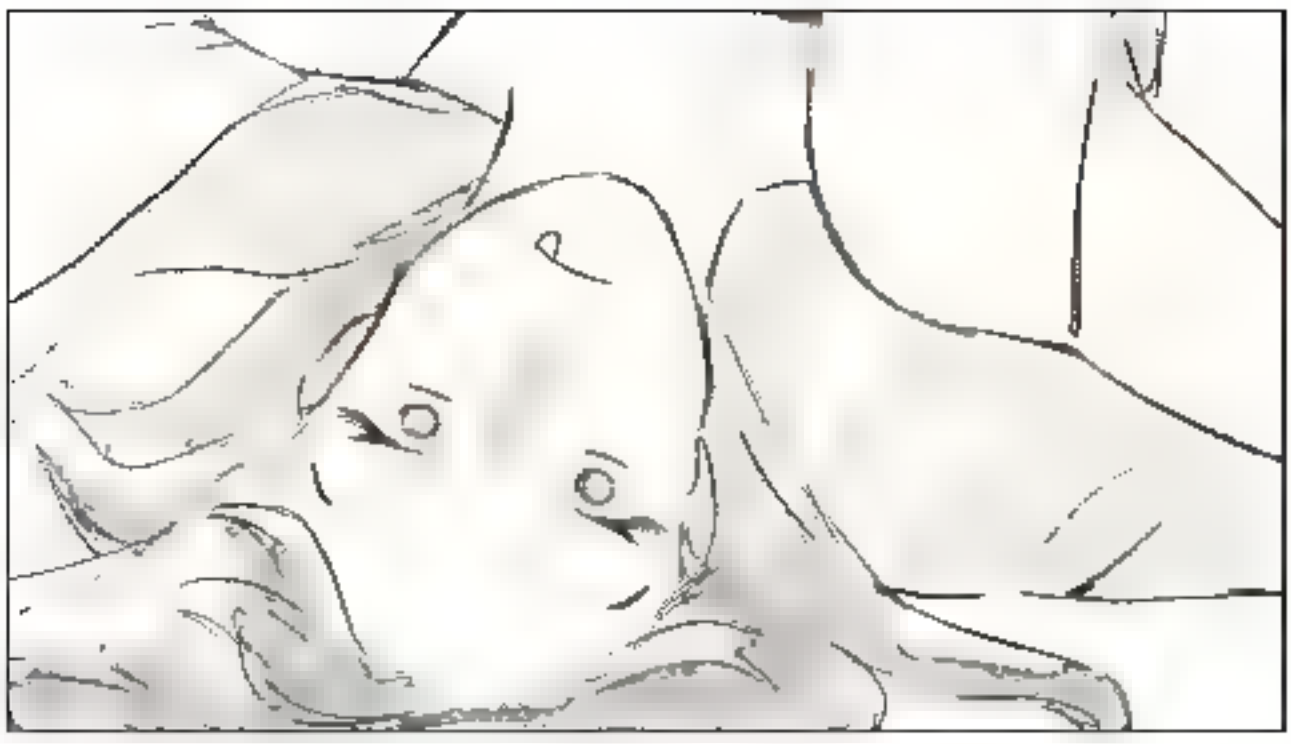
No way

.....

This

This is a dream!!!





Was it a dream?

Be a human from today.
~?

I really hate leaving my stuff all over the place.

Even though we can't do anything about your ears and tail.. you should at least behave like a human, huh?
don't lick yourself

So Jaehyun and I
can take you with us wherever
we go without worries~

I'll teach you to write
from today...

Stop licking
yourself...

...You have to
understand
something before I
can teach you.

Ah... Jaehyun,
where are you? What are you
doing? I was wrong...
